How Many Fish?

There are 10 fish in the kindergarten class fish tank. Some are minnows and some are goldfish. How many of each kind of fish could be in the tank? Use pictures, words and numbers.

Show your thinking in pictures, words, or numbers.

5 gold fish

5 minnows

Because

5 + 5 = 10
6 + 4 = 10
9 + 1 = 10
7 + 3 = 10
8 + 2 = 10
How Many Fish?
