

2007 Graduating Senior Survey Student Comments School of Information Studies

If you had it to do all over again, would you choose to attend UWM?	Why or why not?
Definitely	Geographic location and the staff
Definitely	I believe the quaility of instruction within SOIS to be exceptional.
Definitely	I like that UWM is a very diverse University and I have learned a lot of useful information from this diverse University.
Definitely	It was a great experience and the instructors were great.
Definitely	My experience as a student here has been excellent and will come away with an education and memories to last a lifetime.
Definitely	The education, attention and dedication that I got from my professors was superior than the one that I received at Marquette. It was more affordable and in a much better campus.
Probably	Because moving to another school would be more expensive.
Probably	Expense
Probably	Good location with a wide variety of programs. However, the quality of the student body in terms of academic ability is often suspect.
Probably	I like the atmosphere here. It's very diverse and very independent.
Probably	I like the challenge the upper level classes offer.
Probably	I liked my experience here.
Probably	I think that UWM has many different programs that a well liked and taught. I was able to study almost exactly what I wanted to study, so I don't have any complaints really.
Probably	I went to UWM because it was nearby and I wanted to start college. I didn't have a major in mind so I just started going. I would have liked to have an academic course in mind. I think UWM worked out very well for me though.
Probably	It was a good experience, though I'm glad to be done.
Probably	Most of the professors UWM are very helpful and understanding.
Probably	The cost of tuition was reasonable
Probably	The teachers that were teaching gave me the information I needed for my degree.
Probably No	I started at Lake Forest College. I would of liked to finish my degree there.
