

**2009 Graduating Senior Survey Student Comments
College of Nursing**

| If you had it to do all over again, would you choose to attend UWM? | Why or why not? |
|---|--|
| Probably No | being an adult student i think another school would have been better. |
| Definitely | I liked the online course offerings, and my advisor was very attentive and helpful |
| Definitely No | Because of lack of support Computer system changes Rude UWM employees |
| Definitely | Ease of access |
| Probably | I enjoy UWM, I got my BA here. |
| Probably | It was a good school. |
| Probably No | Poor communication and "computer glitches" within the UW system every single semester made attending courses more stressful than necessary. |
| Probably No | I enjoyed the school life at UW-GB better. I felt like I belonged there. The professors were more personable and approachable at UW-GB. I felt like the nursing program at UWM needs some revision. |
| Probably | Nursing program needs more clinical experience and a DNP program should be available for nurse practitioner. |
| Probably | Yes- near home and I was undecided org. No- I felt limited in my choices due to other majors I had concidered. |
| Definitely | Affordability, my program was available |
| Probably | Nursing program is a too community focused. |
| Probably | I had a good experience with UWM. |
| Probably No | I was not very impressed with the nursing program. |
| Definitely | I really enjoyed my overall experiences here. The classes were great and I made many great friends and acquaintices along the way. |
| Definitely | The faculty are excellent, and the clinical experiences are wonderful. |
| Probably No | It was hard to complete program in 4 years |
| Definitely | Great School. Love the Campus. Love the City. |
| Probably | Not many clinical opportunities for nursing specialty fields- pediatrics, L&D, palliative care. |
| Probably | location |
| Probably | They have a good nursing program. |
| Probably | Although UWM is a great university, some of the grading was unfair across clinical groups and not every student has the same opportunity for clinical sites. At the same time, the instructions and guidelines for my courses were unclear at times. |
| Probably No | UWM's nursing program does not offer as much opportunities as other bachelor degree nursing schools. |
| Definitely No | Nursing major is poor. Clinicals are poor and staff takes months to respond to emails regarding concerns students have. Poor class choices senior year. |
| Probably No | Faculty/staff at UWM have generally acted unprofessionally toward me (except for a small handful). I was scammed out of \$25 for a summer class during 2008. The program for my major was rather unorganized and not what I expected. |
| Probably | College of Nursing has a very good program |
| Probably | Some of the Clinical choices I felt were not as strong as some other area colleges. |
| Definitely | The online format for the BSN Completion was extremely convenient. |
| Definitely No | The nursing program does not have enough clinical hours in the hospital. The whole first semester clinicals were a waste of time! |
| Probably | I like the campus and the school of nursing was ok, but there are definately some things about the school of nursing i did not like, like the emphasis on community health. If i new that before, i might have not chose UWM Nursing |
| Definitely | I had a good experience here. |
| Probably | It was close to where i lived, but parking was not very easy |
| Probably | because it is cheaper than marquette |
| Probably No | Would have liked more clinical experience |
| Probably No | clinical experience could have been better |
| Definitely | Reputable nursing program, convenient location, reasonable tuition. |
| Probably | It was a good school, and the college of nursing had a lot of opportunities |
| Probably No | I did not like that the Nursing Program was community based. I plan to work in a hospital. |

| If you had it to do all over again, would you choose to attend UWM? | Why or why not? |
|---|--|
| Probably No | The clinical experiences at UWM are very lacking compared to other Nursing programs. We did not get enough rotations in real nursing settings. |
| Probably | my choice would have been Marquette but I could not afford tuition |
| Probably | You have to be a strong independent learner. |
| Probably | The online program made it the best choice for my work and family schedule. |
| Definitely | Yes, I would. Overall it has been a really good experience for me. |
