NCAA Recertification

The campus is undergoing a reflective examination of our Athletic department. This is a result of the recertification process offered by the NCAA (National Collegiate Athletic Association). Approximately 10 years ago, the Athletic program was certified. We are undergoing the recertification process now, with a final report to be submitted by May 1, 2008. The report has resulted in two plans for review – a gender equity plan and a minority plan. This Council will hear from those involved in the process, and the progress in developing the plans.
