A Center for 21st Century Studies (C21) Conference at the University of Wisconsin-Milwaukee

Conference Organizing Committee: Richard Grusin (Director, Center for 21st Century Studies), Emily Clark (Deputy Director, Center for 21st Century Studies), and Dehlia Hannah (Provost Postdoctoral Fellow, Center for 21st Century Studies)
Welcome and General Information
The Center for 21st Century Studies is pleased to welcome you to our conference on Anthropocene Feminism at the University of Wisconsin-Milwaukee. The plenary speakers and breakout sessions will consider the ways in which feminism has long been concerned with the Anthropocene, and what current interest in the Anthropocene might mean for feminism.

Registration
Conference registration will be held outside of Curtin Hall 175, 3243 N. Downer Ave.

Welcome Reception
We have organized a welcome reception for all conference participants on Thursday, April 10, at SALA Restaurant (2613 E. Hampshire St.). There will be complimentary hors d'oeuvres and a cash bar.

Event Locations
All of the plenary talks will take place in Curtin Hall 175. The breakout sessions will occur in classrooms on the first floor of Curtin Hall. Please see the schedule for specific room assignments. We will clearly mark the rooms. Lunch will take place on the first floor of Curtin Hall.

AV and Media Needs
Each breakout session will have a volunteer to help assist with technology. Please direct questions to them.

Printing Services
Printing stations are available in the library and the Union. You will need to purchase a printing card at the print location. See the map at the back of this program.

Shuttle Service and Transportation
We will provide a shuttle bus from the Doubletree by Hilton Hotel in downtown Milwaukee to the conference once per day, and a shuttle bus returning to the Doubletree after the conference events once per day. The shuttle will pick you up in front of the hotel, and at the circle in front of Curtin Hall off Downer Ave. On Thursday evening, the shuttle will pick you up in front of SALA rather than at the circle.
