

**REVIEW OF REPORTS ON COMPATIBILITY OF CLSM FLY ASH SLURRY  
WITH BURIED CABLES AND PIPES**

**By Tarun R. Naik and Henry J. Kolbeck**

Report No. CBU-1991-16

**ABSTRACT**

A review was made of the Report on Project No. 27332.00 "Engineering Properties, Controlled Low-Strength Material Fly Ash Slurry" by EWI Engineering Associates, Inc., September 1990, and a report submitted by David H. Kroon of Corpro Companies, Inc. to Mr. Gil Hoffman, WNG, dated October 22, 1990. The following comments and conclusions can be made with respect to these reports.
