

Major Declaration Form

Students can declare or change their major provided they are in good academic standing (cumulative g.p.a. of 2.0 or above) at the University. Students changing their major are required to meet with an academic advisor in the College of Engineering and Applied Science before the major will be changed. The meeting will allow students the opportunity to review their new curriculum and learn more about the services available to them in the College. To schedule an appointment, please call 414-229-4667 or stop in EMS, room 386.

Student Name _____
Last First MI

Student Number _____ Phone Number _____
