

## Financial Aid Authorization

I understand that federal regulations permit the University of Wisconsin - Milwaukee to automatically apply financial aid funds (for example, Federal Stafford, Federal Perkins Loans, Federal Nursing Loans, Federal PELL Grants, Federal SEOG Grants, Lawton Grants, TIP Grant, and WHEG Grants) that are awarded to me to my tuition, fees, and room and board charges. In addition, I understand that these financial aid funds may be applied to my other cost-of attendance charges, including charges that I incurred during previous semesters. Examples of these charges include but are not limited to new freshman fee, book/emergency short-term loans, NSF charges, prior years' tuition and fees and other charges billed on my PAWS account. Funds may be applied to study abroad program fees for previous, current, or future semesters.
