Multicultural Student Center Committee Meeting
Thursday, May 10, 2007
2:00 p.m., Bolton 196

Meeting Summary

Linda Huang gave an update on the following topic areas:
- UWM is going through the Academic Planning and Master Planning process and timeline. Consultants will be hired to facilitate this process.
- UW System Office of Academic Diversity and Development has been reorganized again. The Multicultural Center for Educational Excellence (formerly called the Multicultural Information Center) will no longer exist.
- Data on fall 2007 new freshman enrollment projection was distributed and discussed.
- There are several high-level searches going on right now that include deans and an associate vice chancellor for diversity and climate.

Yohlunda Hill reported on the recruitment and satellite initiatives. UWM’s satellite initiatives will be modified because of changes that PIC is going through right now. She will be working on a multicultural recruitment plan that is reflective and part of university’s and DRO’s recruitment efforts.

Linda updated everyone on the AMSLC conference, which will be hosted by UW-Whitewater, but held at a resort in Delevan, WI.
- Registration and abstract submission website is at www.uww.edu/conteduc/campus/amslc.php.
- Chaperones are: Linda, Ramona Sledge, and Edwin Maldonado. If anyone else is interested, please let Linda know.

Victoria Pryor reported on a list of workshops and events that she is currently working on for fall 2007. She asked for suggestions and prospective dates so MSC events do not interfere with other multicultural events.

Victoria also updated everyone on the status of the fall 2007 Myriad. It will include a profile of the new associate vice chancellor for diversity and climate. It is anticipated that this new person will be hired and on board by the end of summer.
