### Mary Ghaly

Waukesha, Wis.  
Chancellor's Scholarship winner 2008-09

"Not only does this scholarship help me leave the nest of my family and gain independence, it also assigns a mentor and aids me to stay on track the next few years. I'm honored to be a part of UWM, my first choice due to its excellent mechanical engineering program and the cultural diversity on campus."

### Diego Hernandez

Plainfield, Ill.  
Chancellor's Scholarship winner 2008-09

"I can now attend a great university that will allow me to grow as a person away from home. The campus is by the lake shore and in the great city of Milwaukee. UWM always has its students in mind first."

### Olusola Thompson

Milwaukee, Wis.  
Chancellor's Scholarship winner 2008-09

"My siblings, both of whom are alumni of UWM, tell me about the diversity and high value that is placed on education at UWM. These are two qualities I was looking for in a college. Receiving the Chancellor's scholarship is a blessing to me and to my family. The weight of a financial burden is lifted."

## UW-Milwaukee has something great in mind for you.

If you are a driven, bright student, UWM offers full-ride scholarships and a range of other financial aid opportunities. We understand your financial needs and offer competitive aid packages, often comparable to what many private colleges pay.

You'll live and study with other talented students in a vibrant environment that embraces diversity. Your interaction with different cultures, thoughts, ideas and lifestyles will expand your world, challenge your views and prepare you for your future.

At UWM, you can expect a network of support including the university's First Year Center, designed to acquaint you with college and help you stay on top of your studies. You'll soon see why our small class sizes, research programs and scholarships make UWM a destination university.
