To be considered for UWinteriM aid:

Your eligibility cannot be determined until AFTER you have registered for 3 credits AND you must complete a minimum of six credits as an undergraduate student or four credits as a graduate student at UWM during the fall 2009 semester.

You must complete the necessary requirements by the deadlines outlined below:

As soon as possible	If you have not already done so, submit your 2009-2010 Free Application for Federal Student Aid (FAFSA). <i>Do not use the 2010-2011 FAFSA for UWinteriM. Complete and submit the attached supplement.</i>
October 15, 2009	Deadline to apply for Study Abroad Grant.
October 16, 2009	Approximate date registration for UWinteriM begins. <i>Your registration must be confirmed for 3 credits before your eligibility can be determined.</i>
December 1, 2009	2009-2010 FAFSA must be received at the federal processing center.
January 4, 2010	DEADLINE. You must be registered for a minimum of 3 credits and all documents required to determine your UWinteriM eligibility (FAFSA results and Supplement, etc.) must be received by the Financial Aid Department.
February 15, 2010	Last day to complete electronic Master Promissory Note for a UWinteriM loan.

Students must be meeting the Financial Aid Academic Progress Standards to be considered for aid.

Eligibility:

In most cases, aid for UWinteriM will be limited to your remaining academic year Stafford Loan eligibility. However, if you are eligible for the following grants, they will be offered to you:

- Wisconsin Study Abroad grants (a separate application was required) and
- Federal Pell Grant for those that did not use 100% of their fall award (i.e., received a part-time award.) Award will ultimately be based on enrollment on ‘second’ census date of January 4, 2010, by combining credits completed for fall with those registered for during UWinteriM.

To determine your remaining loan eligibility, perform the following calculation:

Determine your grade level and dependency status. UWinteriM Loans are based on your grade level during the fall semester.

Subtract the amount of your fall and/or spring Stafford Loan from the amount listed in the chart below. If the calculation results in a positive number, you will be packaged for that amount, or the amount of tuition and books, whichever is less.

	Dependent	Independent
Freshman	5,500	9,500
Sophomore	6,500	10,500
Junior	7,500	12,500
Senior	7,500	12,500
Graduate		20,500

If you are a dependent student, and have already been awarded your academic year loan maximum, you may be eligible for a Parent PLUS Loan. If you are an independent student, and have already been awarded your academic year loan maximum, you may wish to consider borrowing an alternative loan. If you are a Graduate Student and have already borrowed your academic year loan maximum, you will be offered a Grad PLUS loan (which requires credit approval.) For details, on the PLUS Loan, Grad PLUS, and Alternative Loans, review the loan section of our website, <http://www4.uwm.edu/financialaid/FinancialAid/Options/loans.cfm>. All loans must be applied for on our website, <http://www4.uwm.edu/financialaid>, by clicking on the link, “Online Loan Applications” and then scrolling down to the appropriate link for the loan you wish to borrow.

Students who have reached, or are close to reaching, their cumulative loan maximum, may be eligible for less money than calculated above.

Study abroad costs will be considered when calculating eligibility for UWinteriM loans and Wisconsin Study Abroad grants.

Enrollment:

You must be enrolled for at least three credits by January 4, 2010, to be considered for aid. Your eligibility for aid cannot be determined until your registration for 3 credits can be confirmed. You are, therefore, encouraged to register early so that your aid can be determined before your bill is due.

You must have been enrolled and completed a minimum of six credits as an undergraduate student or four credits as a graduate student at UWM during the fall 2009 semester to be evaluated for UWinteriM aid.

Disbursement:

UWinteriM aid will begin disbursing December 18, 2009. Funds will continue to be disbursed once a week for those that are processed later. In order to have your funds disbursed in time to pay your bill, it is recommended that you have all requirements completed no later than December 1, 2009.

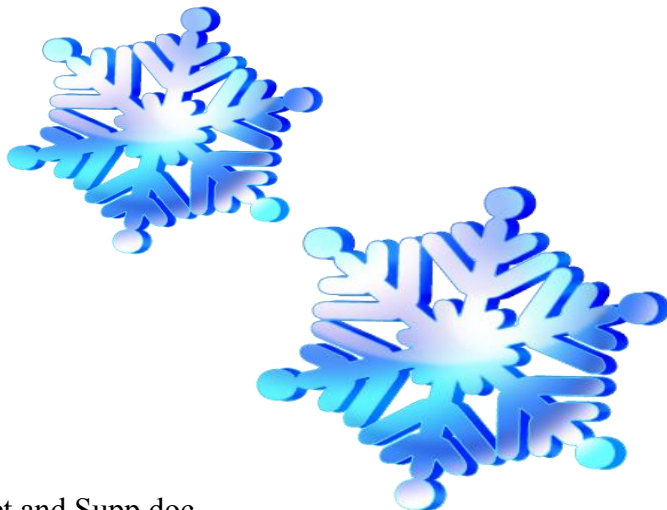

The Bursar's Office will post your aid to your tuition account the first working day after your funds are disbursed. Any excess, which may have been awarded to help you pay for books, is mailed from the Bursar's Office a day later.

Academic Progress Standards:

Students are expected to complete a minimum number of credits for each semester in which they receive aid. UWinteriM credits earned will be added to fall credits earned in determining your academic progress. If you receive aid for UWinteriM, your Academic Progress status will not be determined until after grades for UWinteriM are posted.

For details on the Academic Progress, please visit the [Financial Aid Satisfactory Academic Progress Standards](#) section of our website.

I acknowledge that I have read, understood, and agreed to meet the requirements listed on the 2010 UWinteriM Financial Aid Information Sheet.

Check all that apply:

I would like to be considered for any remaining Stafford loan and/or Pell Grant to cover my books and tuition. (Funding is only available for tuition and books.)

I will be applying for alternative loan funding. (Parent PLUS, Grad PLUS, or Alternative Loan.)

I will be studying abroad for UWinteriM. Be sure to sign a Financial Aid Authorization form at the Bursar's Office (Mitchell Hall, Room 285) to allow your Financial Aid funds to pay your study abroad program fees.
