Presentations in the Union Theatre, Second Floor Hallway
Information table located outside Union Theatre

Maybe you have thought about going to Graduate School. Today's marketplace is looking for people with advanced degrees. With 26 Doctoral programs and 51 Masters degrees, UWM has the right program for you. Visit The Graduate School table where a staff member will be happy to provide you with specific program information.

Be sure to attend both the online learning and the graduate school information sessions, held in the Union Theatre, 2nd Floor - information is listed on the back of this program under special activities. These presentations are full of useful information for those pursuing graduate school or thinking about an online degree.

Continuing Education and Certificate Programs

Second Floor Hallway

(noncredit, select credit and certificate programs through the School of Continuing Education)

Arts, Humanities and Science • Business and Management • Child and Youth Programs • Community Research and Practice • Customized Technical Assistance for Organizations • e-Learning • Engineering • Governmental Affairs • Information Technology • Onsite and Customized Training • Professional Development-Serving Children and Youth • Social and Human Services Training • Transportation Education

Student Activities on Campus

In addition to the academic and support services booths, the Student Activities Office will be located in the Campus Level Hallway (First Floor) providing information on student organizations and clubs at UWM.

UWM is a place where students with different backgrounds, talents, interests and aspirations come together to learn and share experiences. The University considers student organization activities an integral part of the University's mission by providing experiences which stimulate interest and understanding of current social, economic, political, cultural or religious issues. UWM has over 285 student organizations that hold hundreds of activities on and off campus throughout the year. Given the number of groups on campus, students have a wide variety of activities to choose from almost any day of the year.

The Student Association (Student Government) is located in the Campus Level Hallway (First Floor) as well. Information is available on how students can get involved in hundreds of university committees, address and formulate policy and make positive changes that affect the entire campus.

Need assistance? Look for our Open House Advisors, wearing the paw badge!

Has your thirst for knowledge left you hungry for more? Snack and refreshment stands are located throughout the Open House.

Or, check out the great specials and options provided by our very own Dining Services!

Grab a bite before you explore further!
