To locate an area of academic interest, refer to the inside of this program and follow these four easy steps:

1. Locate your interest area in the list of academic disciplines.
2. Note the color in which the major appears. This color will be your guidepost, when you arrive on the second floor.
3. Proceed to the second floor. Once there, look for hanging banners, wall banners and other signage appearing or trimmed in that same color.
4. Once there, representatives will guide you further to someone who can talk with you.
