μ  Family and Child Welfare  μ  Macro Practice
μ  Gerontology  μ  Double Methods

5. Are you intending to complete a certificate program?*  Yes  μ  No  μ

If yes, which one?  ________________________________________________________________

6. Evening and Weekend Placements

The School cannot guarantee any student an evening or weekend field placement.  Students who work full-time
should be prepared to talk to their employers to determine if work hours can be rearranged, or if it is possible to use
vacation or other leave time to accommodate the requirements of field placement.  Flexibility in work hours is
required as many agencies require attendance at staff meetings and other service activities, usually held between 8-
5, weekdays.

7. Describe the type of social service programs and client populations you prefer for field instruction placement.

1.  _______________________________________________________________________________________
2.  _______________________________________________________________________________________
3.  _______________________________________________________________________________________

*Part-time and/or evening students are advised that it may be difficult to schedule some courses required for some certificate
programs, especially School Social Work and MFT.
