The Geography of Radical-Socialist Politics in Milwaukee

Socialism In Milwaukee:
Milwaukee is the only large American city to have been run by the Socialist Party. Beginning in 1910, when the Socialists won major electoral victories at all levels of government, and then from 1916 continuously to 1960, the Socialists sought to reform the legacy of the Industrial Revolution through municipal reforms that emphasized the creation of an extensive park system and a wide range of innovations in public housing.
