# The Map Society of Wisconsin

American Geographical Society Library,  
University of Wisconsin-Milwaukee

Greetings!

We cordially invite you to join or renew your membership in the Map Society of Wisconsin for 2009-2010. Our membership year runs from September 1 to August 31 of the following year. We are planning a variety of programs featuring interesting speakers and topics, including: **9/23/09 – Dr. Ute Schneider**, (University of Duisburg-Essen, Germany), visiting the

AGSL as a Best Research Fellowship recipient, speaking on *the International Map of the World*; and **11/4/09 – Dr. David Dickason** (Western Michigan University, Kalamazoo) talking about *the Upjohn Center for the Study of Geographical Change* which he directs. Additional programs for the fall and spring are being planned.

Our meetings also offer you a chance to meet and socialize with fellow map enthusiasts. Members receive advance notification of all programs. All Map Society events are open to the public, so we encourage you to bring interested friends along.

We appreciate your support--your membership is what makes the Map Society of Wisconsin possible.
