## Introduction

This *Guide to Selected Holdings in the Golda Meir Library's Morris Fromkin Memorial Collection Relating to Women and Work* was developed in conjunction with the 31st Annual Morris Fromkin Memorial Lecture at the University of Wisconsin--Milwaukee Golda Meir Library.

The *Guide* entries were found by searching PantherCat, the Golda Meir Library's online catalog, for items in the Fromkin Memorial Collection that relate to women and work.

The Fromkin Memorial Collection is located on the second floor in the west wing of the Golda Meir Library, room W250. The collection's broad theme is the history of the quest for social justice in the United States from approximately the end of the Civil War through the end of World War II. For more information about the Fromkin Collection, please visit the Web site at: [www.uwm.edu/Library/arch/fromkin](http://www.uwm.edu/Library/arch/fromkin).

Although the purpose of the present *Guide* is to highlight holdings of the Fromkin Memorial Collection, readers should be aware that additional works on the topic can be found in the Library's main collection.
