

Student Handout: Turning Point Clickers!!

Where do I get a clicker?

- Purchase your Turning Point (TP) clicker at the UWM Bookstore for \$48.
- Take the “clicker” card next to your course book to the register to pay and get your clicker.
- Sell back your clicker at the end of the semester or keep until next semester.

How do I register my clicker?

- Register your clicker at: <http://myclicker.uwm.edu> (new web address!!).
- Enter ePanther ID and password; a list of your courses using TP clickers will appear.
- Enter your clicker/device ID located on the back of your clicker (it consists of a 6-digit, alphanumeric code – no O's only zeroes).

- Re-register your clicker, if you feel later you have registered the wrong clicker/device ID.
- Re-register your clicker each semester.
- There is no registration fee -- ever.

*Note: Once you register for a class *in PAWS*, it can take up to 48 hours for your registration to appear on clickers.uwm.edu.*

How do I use my clicker?

- Remove plastic backing to begin using your clicker.
- Program your clicker when you get to class before polling starts (it make take more than one time to program).
 - Press GO – your will see flashing red and green lights
 - Press the Channel Number (e.g., 73) – you will see an amber light
 - Press GO again – you will see a solid green light confirming programming.
- Press buttons firmly until a green light confirms your signal was received.
- Change your answer choice as many times as you want until the polling ends.

How do I troubleshoot my clicker?

- No light - you have not removed the plastic backing or your clicker is defective.
- Amber light - the polling is closed/not available or battery is low.
- Red light - program your clicker (e.g., GO 73 GO).
- Green light, but no points - re-register your clicker and confirm clicker id.
- Visit the Help Desk in Bolton 225 in order to have a technician test your clicker and issue a new clicker, if you feel it is defective.
