Call to Order:

Review and approval of minutes of February 11, 2008:

- The minutes of the last meeting were approved as written.

CON Black and Gold student membership:

a. Updates and openings available

- Official approval of Dayna Hoffman's membership. (UWP)
- We currently have positions open in pre-nursing, 3A (UWM and UWP), 3B, and DNO.

b. Student co-chair for 2008-2009

- We are looking for one student who has been on the committee for at least one semester and would like to take the position of the student co-chair for the 2008-2009 school year. The co-chair would meet with Dr. Snethen before meetings to discuss the agendas, as well as lead the meetings.

Social Activities:

a. SNA updates

i. UWM NSA

- Casino Night.
 - Saturday, April 5th 7-11p.m.
 - Proceeds go to Gilda's Club of Southeaster Wisconsin. There will be casino games, cash bar, appetizers, karaoke. The event is free and open to UWM and UWP students and guests. Monetary donations or supplies for the event are welcomed.

ii. UWP SNAP

- Gala
 - They are having a bake sale at the main campus today. Donation letters for monetary and auction items have been sent out, and flyers have been hung. All proceeds are going to Juvenile Diabetes.

b. Spring Fling: Update

- If we cannot get anyone to head this event we may have to end the planning of this event.
- Audrey Hale will contact the Climate Committee for possible funds that we can use for our food costs. We must be able to get funding to carry out this event.
- They event is planned for early May, May 5th.
- We were unable to get banners hung in Cunningham last year, and are still interested in getting banners.
- The purpose of this event is to encourage the interaction between the different levels in the CON. Dr. Dean-Baar suggested that perhaps instead of the Spring Fling providing this, the Casino Night could serve as a substitute.
- Lisa Mihlbauer will talk about the Black and Gold committee and the Spring Fling to her seminar class to see if anyone would be interested in joining the B&G committee and fill some of our empty positions, and/or interested in helping to plan and organize the Spring Fling, seeing that the 3A and 3B students spend much of their time in Cunningham.

c. Motown in March

- Was March 1, 2008. A fundraiser for the Community Nursing Centers.
- People who were invited, yet unable to attend, were encouraged to buy their tickets and donate them to individuals who use the community nursing centers so they could come to the event. Over 60 tickets were donated.
- Dr. Dean-Baar suggested that perhaps next year we can pool our nursing events and have one large fundraiser.

Wisconsin Covenant Student Program: Discussion about program on April 11th for 9th graders who signed the Wisconsin Covenant.

- SA is heading this event
- Riverside school as well as others, depending on space availability.
- Looking for students who would like to participate in speaking to the students about the College of Nursing.
- 8-11:30 a.m.
- The event may include a sample of a college class and a student panel. This may become an annual event.
- Morgan Ludford will look into this event further at the next NSA meeting this Wednesday.

The NEXT Black and Gold Committee meeting will take place at 12 noon on April 14th, 2008 in room 795.

The meeting adjourned at 12:40 pm.
