800-222-3623 | 414-227-3200
Mon.-Fri., 8am-5pm CST

Location:
Programs will be held at the UWM School of Continuing Education, 161 W. Wisconsin Avenue. SCE is conveniently located in downtown Milwaukee.

For the latest information on getting to and from SCE, visit sce-directions.uwm.edu. The webpage includes access to printable color PDFs of current maps, information about parking, public transportation information and other details relevant to our location.

Cancellations and Transfers:
Cancellation and transfer requests made more than five working days prior to the course will not incur a penalty. A 10% administrative fee is charged when notification is received less than five working days before the program. Cancellations made after the program begins are subject to the full fee. Substitutions are always accepted.

To transfer, substitute or cancel a registration contact Kim Beck at 414-227-3321 or kcb@uwm.edu.

EVENING AND WEEKEND PROGRAMS AVAILABLE!
From art to music, nature to philosophy, dreams to photography, these classes will help you pursue your interests and learn new skills.

Whether you are pursuing an art or looking to expand your knowledge, at UWM School of Continuing Education, we offer you the opportunity to enhance your learning through experiential classes that fit into your busy lifestyle. We offer learning to fit your life.

More than enrichment, these programs:
- support your talent and skill development
- attract participants like you who are motivated to learn
- lead to second careers or jobs
- help you pursue life-long interests in arts, photography, nature or other subjects

In addition our programs support you with online resources such as social media pages where you can share your work, ideas or success stories and get advice or feedback from others.

Note: All courses are at the School of Continuing Education unless otherwise noted.

### Financial Strategies
Learn how to make informed decisions about your future, set realistic goals, properly allocate assets, minimize the impact of taxes and inflation, control health care costs, and plan for the transfer of your estate.
