The Bursar will bill students separately for UWinteriM courses. Students who were enrolled in the fall semester and who paid their segregated fees along with their fall semester tuition will be able to use campus services supported by those fees (e.g. Norris Health Center, UPASS, etc.) during UWinteriM. Students who did not pay segregated fees during the fall semester, or who were not enrolled in fall, will not be eligible to use these facilities.

Students who drop UWinteriM classes by December 29 will not be assessed fees for these classes. Students who drop after December 29, but no later than January 6, will be assessed a \$50 withdrawal fee. For drops after January 6, there will be no reduction in fee obligation. Full tuition will be due.
