“UWinteriM” is an offering of accelerated courses scheduled during interim break, January 5-22, 2009. UWinteriM lets you earn up to three degree credits over the break. Course offerings are designed to include a wide range of classes:

- popular, large-enrollment classes which typically fill up in the fall
- often repeated classes, such as intermediate algebra
- courses needed to satisfy GER requirements
- classes geared to off-campus opportunities, including travel

## Dates to Remember

**October 20, 2008**
UW WinteriM registration opens (PAWS). See page 2 for earliest-access appointment times.

**December 26, 2008**
Last day to register via PAWS. Adds after this date will require the instructor's signature. Due to the condensed nature of UW WinteriM, instructors are not required to permit adds once classes begin.

**January 2, 2009**
Fees for all UW WinteriM classes are due. If your payment is not received by the due date, you may be assessed a $25.00 late fee.

**January 5, 2009**
UW WinteriM session begins.

**January 9, 2009**
Last day to drop without owing full tuition for UW WinteriM classes.

**January 14, 2009**
Last day to drop via PAWS or withdraw in writing. Call 414/229-3796 for deadlines for courses which begin after January 5.

**January 22, 2009**
UW WinteriM session ends (unless January 23 must be scheduled as a snow day).

## Something you can really warm up to...

UW WinteriM classes will actually save you on tuition costs, because the fee schedule is lower. For example, for an in-state undergraduate, a three-credit UW WinteriM class is just $816.39, compared to $1,107.85 for the same class in fall or spring. See the fee schedule on page 2 and information on financial aid on page 4.

## Say goodbye to windshield scraping...

The following permits will be available for purchase at the Parking and Transit Office (Union WG25), beginning December 10, 2008, to students with proof of UW WinteriM registration.

- **$30:** Permit valid for 14 days of guaranteed daytime parking in the Union garage.
- **$20:** Permit valid daytime hours at any pay station parking space in the Sandburg, EMS, and Pavilion (Klotsche) garages, as well as the Cunningham and Sciences surface lots. This permit is valid for nighttime parking.

The Fall 2008 UPASS is also valid during UW WinteriM using your fall UPASS. UPARK shuttles will NOT operate during UW WinteriM.

## UW WinteriM Schedule

UW WinteriM classes are for a maximum of 13 class days, January 5-22, 2009. (MTWRF, MTWR, TWR).

**Snow dates:** In the event that the University must cancel classes due to a snow emergency, make-up sessions are preplanned for Saturday, January 10, 2009 (for the week of 1/5); Saturday, January 17, 2009 (for the week of 1/12); Friday, January 23, 2009 (for the week of 1/19). Instructors may select alternate snow-day makeup policies and publish them in their syllabi.

_The bad-weather/emergency hotline number is 414/229-4444._

Regulation Policies

Registration

Registration will take place between October 20 and December 26, 2008. Most students should register using the PAWS system. The system will generally be available for registration from 6:00 a.m. until 12:00 a.m., 7 days a week except Sunday mornings. The system may not be available November 27, December 24, 25, 31, or January 1.

Students will be limited to a maximum of three (3) credits.

Audits will not be allowed in many UWInterim classes.

Late Registrations, Adds, Drops and Withdrawals

Any student wishing to register or add classes after December 26 must obtain written permission from the instructor or department on a Change of Enrollment Request (Add/Drop Form), and then submit the form to the Department of Enrollment Services (MBL 275) no later than January 9. Due to the very condensed nature of UWInterim, instructors are not required to approve registrations or adds once classes begin.

January 9 is the last day for students to change UWInterim classes from a graded to a credit/no credit basis and vice versa. January 9 is also the last day that students may drop courses without owing full tuition for them.

Students may still drop 3-week UWInterim classes via PAWS through January 14, but full tuition remains due for classes dropped after January 9.

There will be no transcript notation (W grade) for UWInterim drops.

Guest students who register only for UWInterim may withdraw by sending a signed letter to the Department of Enrollment Services, by January 14, stating their wish to withdraw. Certified mail is highly recommended. There is a withdrawal fee after December 30. Full tuition remains due for withdrawals after January 9.

No withdrawals will be accepted via telephone or via email.

Fee Schedule and Policies

UWInterim is a separate term for purposes of tuition and enrollment verification. Enrollment in UWInterim will not count toward full-time or part-time status for either the fall or spring semesters.

The Bursar will bill students separately for UWInterim courses. Students who were enrolled in the fall semester and who paid their segregated fees along with their fall semester tuition will be able to use campus services supported by those fees (e.g. Norris Health Center, UPASS, etc.) during UWInterim. Students who did not pay segregated fees during the fall semester, or who were not enrolled in fall, will not be eligible to use these facilities.

Students who drop UWInterim courses by December 30 will not be assessed fees for these classes. Students who drop after December 30, but no later than January 9, will be assessed a $50 withdrawal fee. For drops after January 9, there will be no reduction in fee obligation. Full tuition will be due.

Fees for all UWInterim classes are due by January 2.

Class Time

Conflicts/Overlaps

Students must obtain, in advance, the instructor's approval via an add/drop form to enroll in classes which have any time conflict or overlap.
Register Using PAWS

What is PAWS?

Every UWM student is assigned a UWM Campus ID number that is used to sign on to PAWS. PAWS, which stands for Panther Access to Web Services, allows UWM students to: register or make changes to their schedules (add/drop/ change grading option or number of credits) online; update their addresses; view current or previous semester grades, financial information (fees, billings, due dates), and placement scores; and check for "Service Indicators" (Holds).

Signing on to PAWS

2. When the PAWS login screen appears, enter your UWM ePanther ID and password.

The Registration Transaction

1. After signing on to PAWS, you should be in your "Student Center." (If your Student Center is not displayed, click "Self Service" and then click "Student Center.")
2. Select "Add a Class" under "Enrollment.
3. Select the term (semester) from the drop-down menu.
4. If you are already registered for that term your schedule will be displayed along with any requests still pending.
5. To add a class, follow either Step A or Step B:
   A. Enter the 5-digit Class ID number (not the Course Number) in the "Enter Class Nbr" field. Class ID numbers can be found under the arrows in the class listing pages of this Schedule of Classes.
   B. Click the "Search" button to go to the "Class Search" page to find a class/section. On the "Class Search" page, select a subject from the menu. Then enter the Course Number in the "Course Number" field. Leave the "Show Open Classes Only" checkbox turned on and click the "Search" button. Available sections will be displayed. If the section you want does not appear, it is closed (full) or has been cancelled. On the "Class Search Results" page, click the "Select Class" button next to the section you wish to add. If the course has more than one part (for example, a lecture with a related lab), you will be directed to select a related part. Then click "NEXT.”
6. If you wish to add additional classes, repeat the steps above. Otherwise, click the "Proceed to Step 2 of 3" button.
7. Click "Finish Enrolling."
8. If your course request can be met, you will see a Green ✓ (success) under the "Status" column. If your request cannot be met, you will see a Red X and an error message will be displayed. If the message states that the class is full or that you do not meet the requisites, you may wish to contact the department that is offering the class to see if they will issue you a permission number or signed "Add/Drop" form.
9. Click the "Add Another Class" button to continue adding or dropping classes.
10. When you have finished entering classes or making changes, take a final look at your schedule by clicking the "My Course Schedule" link at the bottom of the page.

Dropping a Class

1. After signing into PAWS the "Student Center" should automatically be displayed. If it is not displayed, click "Self Service" under "Menu" and then click "Student Center."
2. Select "Drop a Class" under "Enrollment."
3. Select the term from the drop-down menu next to "Select Term."
4. To drop a class, place a check mark in the "Select" column by the course you wish to drop. Then click "Drop Selected Courses." Verify the information and then click "Finish Dropping." If the class was able to be dropped you will see a Green ✓ (success); if the course was unable to be dropped you will see a Red X and an error message will be displayed.

Waiting Lists

The use of waiting lists is strictly up to the department teaching the course. Some departments use them for selected courses, and some do not use them at all. Departments also have their own policies regarding how students move from the waiting list into classes, and it may not always be on a first come/first served basis. Some departments give preference to seniors who are graduating, some to students in their own program, etc.

As of the publication of this Schedule, we still anticipate use of the "Closed Section Interest" form with a link from PAWS until December 26.

Financial Aid

Financial aid may be available for tuition and books for UWinteriM. Availability of aid will be based on the remaining portion of the student's academic year. Stafford loan eligibility.

To qualify: Students receiving aid must be enrolled for three (3) credits, must have been enrolled for fall semester and need to complete a UWinteriM aid application and be registered for three (3) credits by January 5 to be considered for aid.

Enrollment in UWinteriM counts against a student’s time frame for aid whether or not the student receives aid (.25 semesters deducted from the time frame for three credits or less). Additional information and the UWinteriM application will be available on the Department of Financial Aid Web page after October 15.

Grades

Grades will be available on PAWS on January 26, 2009.

Undergraduates who receive an incomplete during UWinteriM must remove the incomplete by the end of the following semester of enrollment. For graduate students, incompletes must be removed by the end of the following semester.

Please see the Business School academic advising staff in LUB N207 for more information.
2. Non-business degree students can register in 400, 500, or 600-level courses if they have completed course prerequisites and can provide evidence of GPA of 2.50 or above.

5. Business Administration courses are not available to students on a credit/no credit grading basis. Exceptions: 400, 420, 449, 459, 469, 479, 534
6. **STRICT ENFORCEMENT OF THE REQUIREMENT FOR ADVANCING TO A MAJOR IN THE SCHOOL OF BUSINESS ADMINISTRATION.**

**IMPORTANT NOTICE FOR GRADUATE BUSINESS STUDENTS**

2. Masters level foundation courses are Bus Adm 700-703. Contact the Business School Graduate Program Services Office if you have questions.

### Biological Sciences (Bio Sci)

Chair: Craig Sandgren, LAP S181 229-4214  
e-mail: sandgren@uwm.edu  
http://www.uwm.edu/Dept/Biology/

In addition to courses offered by Biological Sciences, students are also encouraged to select cross-listed courses in other departments (Clinical Laboratory Sciences, Conservation of Environmental Sciences, Psychology, and Urban Planning). A detailed listing of all Multidisciplinary Courses can be found on the web Schedule of Classes: www.uwm.edu/schedule

**IMPORTANT:** Registered students not attending Biological Sciences Lab and/or Discussion courses during the first week may be dropped. See 'Administrative Drop for Non-Attendance' policy under The Department of Enrollment Services 'Registration Policy' on the web at: https://www4.uwm.edu/current_students/register_course_info/registration_policies.cfm

If sections are listed as 'closed' when registering for a course on PAWS, students are encouraged to complete the CLOSED COURSE INTEREST REQUEST FORM. Please keep in mind that the department does not maintain waiting lists. Students are encouraged to check PAWS frequently for openings. The Closed Course Interest Request Forms are used solely by the department to determine the need for new sections. Those students who complete the form will be notified via email of any new openings.

Registration in laboratory courses is typically restricted by the availability of openings in laboratory sections. You must register for both the lecture and laboratory sections to complete the course.
