1976-77 Annual Report of the Codification Committee

The Codification Committee held thirteen (13) meetings from September, 1976, to April 19, 1977, and will continue to meet until the end of the academic year. Professor Clarke Hagensick replaced Professor Webster Christman, who resigned. The major undertaking of the Committee during the year was the preparation of the "Supplement to Chapter 6, UWM Policies and Procedures". The Supplement contains the membership and functions of the UWM Faculty Standing Committees. The Supplement was presented to the Senate at its February Meeting and was approved, as amended, at the March meeting of the Senate. The charter of the Human Rights Committee was on the Calendar of the April 21, Senate Meeting, as Document 1029.

The Codification Committee reviewed and made recommendations on the following matters submitted by faculty standing committees, individual faculty members, or groups of faculty members.

1. Amendment to Chapter 6.12 concerning administrators serving on faculty standing committees.

2. Chapter 3.04, which limited the membership of divisional executive committees to no more than one member from one department in a departmentalized school or college.

3. Amended Chapter 3.09, which deals with the manner in which vacancies on a divisional executive committee are filled and how the term of office of members filling vacancies is calculated.

4. Amended Chapter 6.02, 6.24(2), 6.24(6)(c) and 6.26(2)(e) so that Chapter 6 on UWM Committees would be in conformity with the State Supreme Court Decision concerning the appointments of students to committees.

5. Proposed amendments to Chapter 5, dealing with layoff in the event of financial emergency.

6. Amendments to Chapter 4.06, concerning the method of appointment for departmental chairmen.

7. Recommendations of the Task Force on Continuing Education Units.

8. Began work on the proposed revision to Chapter 2.05, dealing with the Graduate School and graduate committees.

9. Began work on the "Supplement to UWM Policies and Procedures" which will contain documents passed by the Senate, UWM policy statements, and UWS Regent Policy Statements, so that information which is frequently needed and consulted will be available in a single source.
