Positive recommendations from the departmental Executive Committee are directed to the Dean of the School or College. Upon receiving the recommendation and the accompanying documentation, the dean transmits the materials to the appropriate Divisional Executive Committee for advice. If the Committee's recommendation is negative, the Chairman first notifies the Department Chairman and the faculty member concerned; provisions regarding reconsideration and written reasons as outlined in 5.177 will apply. If the recommendation of the Divisional Executive Committee is positive, it is transmitted directly to the dean. If the dean does not accept the Committee's positive recommendation, the dean notifies its chairman, the Chairman of the departmental Executive Committee, and the faculty member concerned; the faculty member may request written reasons and/or reconsideration as in 5.176(2). The dean transmits all actions to the Chancellor with the dean's recommendation.

Renumber Chapter 5 accordingly.
