CURRENT
5.44 Faculty Rights and Responsibilities Committee.

NEW
5.44 Faculty Rights and Responsibilities Committee.

(5) Powers.

(a) Upon referral by the University Committee, conducts fact-finding concerning allegations of misconduct made against one or more faculty members or against a faculty body and makes recommendations to the Chancellor concerning disciplinary action, or appropriate corrective non-disciplinary action. The Committee may consult informally with individuals concerning questions which may lead to allegations of misconduct prior to the filing of formal complaints with the University Committee.

Rationale: The amendment is proposed to conform with the change in the University Committee's Charter (Faculty Document 1076, approved by the UWM Senate March 21, 1978), which designated the University Committee as the body to forward grievances to appropriate faculty standing committees. This proposed amendment serves to make the charter of this committee consistent with legislation approved in Document 1076.
