ANNUAL REPORT
UNIVERSITY ARCHIVES COMMITTEE
1977-78

The Archives Committee met on March 14, 1978. Professor Donald Mueller was elected Chairman for 1977-78.

Committee members received copies of the second edition of UWM Buildings: Some Pertinent Facts, a 1977 Library publication by Professor Emeritus Donald A. Woods. Professor Woods was complimented on his revision and updating of this work.

Mr. Roselle reported on the following items:

1.) current and projected staffing patterns in Special Collections and Archives;

2.) the Milwaukee-area microfilming project of the Church of Latter Day Saints and the proposal to place copies of the microfilms in the UWM Area Research Center.

The UWM Library will host the University of Wisconsin-System Archives Council and the ARC Directors' meeting on May 11-12. Committee members are invited to participate.

Mr. Roselle and Professor Mueller will send a joint letter reminding UWM departments to send materials to Archives.
