Report of the Committee of Nominations for
Elective Standing Faculty Committees for 1979-80

In preparing the slate of nominees for Elective-Standing Faculty Committees, the Committee on Nominations uses the following procedures:

1. Preference sheets were prepared and distributed to the Faculty. The first, second and third choices were tabulated from 214 returns out of a possible 860.

2. Criteria are used to select a maximum number of individual Faculty members in order to achieve continuity, balance, and distribution. Selections are influenced by, but not limited to, choices submitted on the preference sheets.

Nominations from the floor may be made at the Faculty Senate Meeting, March 15, 1979. Please contact the person you wish to nominate prior to the meeting to obtain his or her consent.
