THE COMMITTEE

The faculty membership on the committee other than the Professor of Military Science remained as in the previous year. Professor Arthur W. Else was Chairman with Professors Donn K. Haglund, Geography, Ronald J. Ross, History and Dale R. Snider, Physics continuing their committee membership. LTC William J. McCluskey replaced LTC John H. Boysen as the Professor of Military Science.

ACTIVITIES

During the year to-date the committee continued to support the wide range of the ROTC program activities. Most notably was committee participation in the November Fall Dinner-Reception, the December Commissioning Exercise and the March Military Ball. The committee plans to participate in the May Leadership Review and the end-of-year commissioning program on May 26, 1979.

COMMITTEE BUSINESS

1. To-date the committee has met in normal session on 3 occasions, November 7, 1978, December 19, 1978 and March 9, 1979. Late April and mid-summer meetings are planned. Informal coordination between the Military Science Department and the committee has been continuous.

2. The committee has been involved in a number of factors which have enhanced the overall ROTC program. The most notable accomplishments are recorded:

   a. The development and approval of a structured, credit, Military Science course for freshmen which is viewed as having a most positive impact on Military Science enrollment in the future.

   b. The interview and approval of Captain James K. Lynch for the position of Assistant Professor of Military Science.

   c. Participation in the ROTC scholarship competition process.

   d. Support of the Military Science Department in the following:

      (1) Conduct of two rifle clinics for local high schools.

      (2) Provision of an ROTC color guard for UWM home soccer and basketball games.

      (3) The annual Fall Dinner-Reception and Spring Military Ball attended by 100 and 115 persons, respectively.

   e. Five cadets won national Army scholarships, one junior and four sophomores. There are currently ten scholarship cadets in the program, three seniors, two juniors, four sophomores and one freshman.

   f. The department sponsored Dr. David Small as the Institutional Representative at the Fort Riley Advanced Camp this past summer.
