MEMORIAL RESOLUTION FOR HAROLD J. McNALLY, PROFESSOR EMERITUS OF ADMINISTRATIVE LEADERSHIP

We are all saddened by the death of our friend and colleague, Harold J. McNally, who passed on September 16, 1979. He had retired in January after 13 years of dedicated service to UWM.

"Mac" came to UWM in 1966. At UWM he served as Department Chairperson from 1969 until 1972 and Director of Urban Doctoral Studies from 1973 until 1976. In addition he contributed unselfishly and significantly to a large number of departmental, school, and all-university committees. His teaching, as reported by students, was of the highest quality. Just before retirement he made a major contribution as host of the National Conference of Professors of Educational Administration at UWM in August, 1978.

Prior to coming to UWM, Mac was with Field Enterprises Corp., where he had been Director of Research for two years, and before that on the faculty at Teacher's College, Columbia University, from 1946 to 1964.

He served as consultant to the N.E.A. Department of Elementary Principals; to U.S. sponsored educational missions to Burma, Indonesia, and Lebanon; to State Administrators' Organizations; and to numerous local school districts throughout the nation. He authored several books, among them a text Elementary School Administration and Supervision (with W. Eellsbree). He has been a frequent speaker at conventions, conferences, and inservice meetings as well as a regular contributor to professional journals.

Through all these years he has served the profession, the University, the School and the Department with distinction. Mac is sadly missed by his colleagues, his students, his family, and the countless lives he has touched. We especially miss his ability to see through a maze of competing ideas, his thorough fairness in finding a middle ground, his skill at drafting well-turned phrases, his gentlemanly way of dealing with each and all. He will be remembered with respect and affection.
