1979-80 Annual Report
of the Economic Benefits Committee

The Committee met four times during the academic year to March 15.

1. The Committee notes that the position of Retirement Counselor has been established in the office of Secretary of the University pursuant to Committee recommendation.

2. Recommended to Payroll Department that the computer record of tax deferred retirement deductions identify the fund to which paid, so that employees can verify the accuracy of these transactions with each paycheck.

3. Met with the Economic Benefits Committee of the Retired Faculty Association to explore areas of mutual concern. Attention focused on the Automatic Post Retirement Adjustment and Medicare - WPS insurance problem.
