FUNCTIONS AND MEMBERSHIP. The functions of the Committee are described in the 
Laws and Regulations Governing the University of Wisconsin as follows: 
"To confer and recommend concerning matters of educational policies of the 
university. The Committee shall not in any way curtail or supplant the present 
powers and duties of the University Committee. The Committee is empowered to 
report recommendations either to the University Committee or to the Faculty 
directly." Three faculty members are elected and three student representatives

Activities of the Committee during 1956-57. Three meetings were held 
and resulted in discussion and clarification of how this committee can best 
fulfill its functions. It was decided that this committee would best serve 
as a clearing house for information and clarification regarding university 
educational policies.

The chairman of the committee conferred by correspondence with the 
chairman of the similar committee at Madison regarding a) typical problems 
or issues which are of concern to this committee, b) channels and procedures 
for bringing matters to the attention of the committee, and c) channels and 
procedures for disposing of matters brought to its attention.

Steps have been taken to bring the purposes of this committee to the 
attention of students and Faculty. These included brief presentations by its 
student members at meetings of student government and other organizations. 
In addition, an article, signed by committee members, appeared in the university 
student newspaper.

Meetings are scheduled the first Wednesday of each month or on call of 
the chairman.

REPORT OF HIGH SCHOOL RELATIONS COMMITTEE

The High School Relations Committee of the University of Wisconsin-- 
Milwaukee is appointed by the Provost. One member of the local committee is 
also a member of the Madison committee of the same name. This member serves 
as chairman of the local committee.

The purpose of the local committee is to assist the Madison committee 
in the evaluation, for accreditation purposes, of those high schools which are 
not members of the North Central Association. This year our local committee 
visited and reported on Kemper Hall, Kenosha, and its report was approved by 
the Madison committee. A copy of the report on Kemper Hall is on file in the 
office of the chairman.
