Annual Report of the Academic Program and Curriculum Committee

1979-80

The Academic Program and Curriculum Committee is made up of eighteen (18) voting members; fifteen (15) faculty members proportionate to the total faculty in each division, and three (3) students elected by the student body. One member of the Academic Deans Council is appointed annually (ex-officio).

The Academic Program and Curriculum Committee held meetings approximately twice a month on Mondays.

Approval of Program Name Change: A program name change from "Industrial & Manufacturing Engineering" to "Industrial Engineering", College of Engineering and Applied Science, was approved.

Approval of B. A. in Afro-American Studies: In Oct., 1979, the Committee approved the B. A. in Afro-American Studies. The program was forwarded to the Faculty Senate.

Audit & Review: The School of Nursing audit report was prepared by the ad hoc subcommittee, chaired by Professor Richard Dittman. It was accepted by the Committee with minor changes and forwarded to the Vice Chancellor.

The Engineering audit, which was charged out in May, 1979, was delayed due to the fact that a new ad hoc subcommittee had to be selected. That subcommittee has now been selected and is working on the audit.

Task Force on Evaluation of Administration: The APCC elected one member to act as a liaison between the APCC and the Task Force on Evaluation of Administration.

Approval of Computer Science Program: In Nov., 1979, the Committee approved the Computer Science Program in CEAS.

Approval of New Curricular Area Name and Number: In Nov., 1979, the Committee approved the name creation of Human Kinetics and two new curricular area codes, Human Kinetics - 478 and Sport and Recreation - 928 in the School of Allied Health Professions. This recommendation was forwarded to the Faculty Senate.

Approval of PERHE Course Transfer: In Dec., 1979, the Committee approved the transference of courses from the School of Education, Department of Physical Education to the Department of Human Kinetics, School of Allied Health Professions.

Approval of Curricular Area Change: A curricular area change of name and number from #305, Educational Administration and Supervision to #103, Administrative Leadership, School of Education, was approved.

Approval of B. A. in Comparative Study of Religion: The Committee approved the B. A. in Comparative Study of Religion on Feb. 18, 1980. The program was forwarded to the Faculty Senate.
Annual Report of the APC Committee

Review of New Course Proposals: The Academic Program and Curriculum Committee continued its regular function of reviewing new course proposals for possible overlap or duplication. 127 new course proposals were affirmatively reviewed, 21 new course proposals necessitated further review because of pending problems.
