1979-80 Annual Report of the Academic Policy Committee

The committee recommended that the 1976 Senate Action establishing Spring recess in the 10th week of the semester be rescinded by the Faculty Senate.

The 1981-82 Academic year and 1982 Summer Session Calendars were proposed and a recommendation was made to the Faculty Senate to establish the Calendars.

The committee continued a study of the matter of issuing and altering grades. Two recommendations were made to the University Committee concerning grievance procedures and authorization for grade changes.
