1979-80 Annual Report of the Athletic Board

April 29, 1980

The Athletic Board has held twelve regular or special meetings to date during 1979-80.

Actions of the Board included the following:

1. Revised and adopted a series of revisions in the Athletic Board's Bylaws.

2. Recommended that provision be made for a UWM multi-purpose outdoor sports complex.

3. Reviewed and approved a budget for the Athletic Department for 1980-81. The budget provides for the continuation of eight women's and seven men's intercollegiate sports, club sports and intramural sports.

4. Directed Athletic Department representatives to investigate the possibilities of conference affiliation for UWM.

5. Revised and adopted the eligibility requirements for men and women student athletes.

6. Conducted a public hearing on the future direction of the UWM athletic program and subsequently recommended that all men's and women's sports be designated in Division II within the NCAA and AIAW respectively with the exception of men's soccer, which is to remain in Division I.

7. Reviewed five cases where students appealed their eligibility status.

8. Conducted performance evaluations of Athletic Department personnel.
