MEMORIAL RESOLUTION FOR ROBERT L. STONEK, J.D.

With great sadness the faculty, staff, and students of the School of Social Welfare learned of the death of Robert L. Stonek on November 3, 1980.

Bob came to UWM in 1970 from the Milwaukee County Children's Court Center where he served as Chief Assistant District Attorney. He earned his undergraduate degree from Marquette University; a Law degree from the University of Wisconsin-Madison; and Master's degree in Urban Affairs from the University of Wisconsin-Milwaukee.

While serving the University both as an instructor and coordinator of the Criminal Justice program in the School of Social Welfare for almost ten years, Bob continued his commitment to community and social concerns developed previously while Assistant Director of the Peace Corps Training Center at UWM and Assistant Director of the Marquette Law School's Institute on Law and Poverty. In 1971, he was appointed by Governor Lucey as a member of the Milwaukee Safe Streets Council and also served on numerous regional and state committees concerned with criminal justice matters. Appointed by Governor Patrick J. Lucey in 1973, Bob took a leave of absence from UWM and served for two years as the Executive Director of the Wisconsin Council on Criminal Justice. Upon his return Bob served for two years as the presiding officer of the supervisory board of that agency and continued as a member until his death. Nationally, he was a member of the Executive Committee of the National Conference of State Criminal Justice Planning Administrators.

In his recent appointment as an Assistant Professor in Law-Related Education at the University of Wisconsin-Extension and continuing on the program faculty of the Criminal Justice Program at UWM, Bob was held in high esteem for the quality of his teaching, and for his concern for students. His commitment to the continuing education of Criminal Justice professionals took him to numerous national consultations and conferences. In 1977, he was listed as one of the Outstanding Young Men of America by the U.S. Junior Chamber of Commerce. His concern for the advancement of criminal justice practices resulted in the establishment of the ten state Criminal Justice Training Center and Technical Assistance Resource Center, plus the newly funded Metropolitan Milwaukee Mediation Center.

Bob serve his profession as a practicing attorney, teacher, scholar, and counselor. He will be sadly missed by his colleagues, his students and his family. His professional dedication will be remembered with respect and affection.
