Professor Ethel Sloane, Chair
University Committee

Dear Ethel:

At the October 13, 1981 Faculty Senate meeting, the Senate referred the fourth recommendation of Document 1283 to the University Committee:

In the event that legally enacted programmatic changes temporarily or permanently eliminate teaching positions held by tenured faculty, the affected faculty members should be offered alternate jobs as faculty or academic staff in the university without loss of salary or tenure with suitable facilities for retraining.

I am awaiting the response of the University Committee before forwarding Faculty Document 1283 in its entirety to Chancellor Horton.

If you wish the first three recommendations of Document 1283 to go to the Chancellor prior to your action on recommendation No. 4, please notify this office.

Thank you for your consideration of this request.

Sincerely,

Karen H. Robison

MEMORANDUM

TO: Karen Robison
    Office of Secretary of the University

FROM: Ethel Sloane, Chair
    University Committee

RE: Faculty Document 1283, Recommendation #4

Recommendation #4 of Faculty Document 1283 was referred by the
Faculty Senate to the University Committee for consideration.
It reads as follows:

"In the event that legally enacted programmatic
changes temporarily or permanently eliminate
teaching positions held by tenured faculty, the
affected faculty members should be offered
alternate jobs as faculty or academic staff
in the university without loss of salary or
tenure with suitable facilities for retraining."

The University Committee has discussed in depth the potential
ramifications of the recommendation and is of the opinion that
the solution suggested is not feasible.
