The Physical Environment Committee met 12 times this academic year through April and had 3 meetings scheduled in May.

The committee acted upon the following:

1. Discussed and proposed changes to the Year 2000 Master Plan Committee's questionnaire, which was sent to Schools, Colleges and Divisions.

2. Approved delaying the sodding of the Maryland Avenue site until Spring 1982.

3. Approved building the temporary asphalt walkway near the North wall of the Student Union to alleviate a water leakage problem.

4. Created an ad hoc Union Plaza Subcommittee to study and make recommendations in regard to the plaza.

5. Approved change of name of the Aesthetics Subcommittee to the Aesthetics and Design Subcommittee.

6. Approved the Operational Plan for the Inspection of Campus Buildings. (P.E.C. Document 167)

8. Approved the concept of utilizing the School of Architecture and Urban Planning personnel in the design of the Union Plaza.

9. Approved the report of the Aesthetics and Design Subcommittee which included correction of safety problems on the campus.

10. Accepted the "Capitol Budget Process Narrative and Flow Chart". (P.E.C. Document 166A)

11. Approved the creation of the Facilities Design Advisory Committee replacing the Aesthetics and Design Subcommittee. The subcommittee would make recommendations on new construction and major remodeling projects.

12. Adopted a priority list of 83-85 major projects which was submitted to System Administration.

14. Approved and prioritized the minor project proposals, for the 83-85 biennium and forwarded them to System Administration. (P.E.C. Document 168)

15. Approved the Parking and Transit Subcommittee's proposal to convert the Engelmann Parking Lot from a public lot to a faculty/staff lot from 7:00 a.m. to 5:00 p.m., Monday through Friday.
16. Approved the concept of the Maryland Avenue site plan which includes sodding and 2 brushed concrete sidewalks running diagonally across the site.
