THE UNIVERSITY OF WISCONSIN-MILWAUKEE FACULTY DOCUMENT NO. 1356, MAY 17, 1983

ANNUAL REPORT OF THE
CODIFICATION COMMITTEE, 1982-83

The committee has met eleven times during the year (as of May 3). There was one joint meeting with the University Committee, and on one occasion the Chair of the University Committee met with the Codification Committee.

The principal issue dealt with this year was Faculty Document 1321: Programmatic Decision Guidelines. The committee proposed a number of modifications in the original document, in part based on the committee-of-the-whole discussion at the December meeting of the Faculty Senate, and returned the document to the University Committee without endorsement for consideration by the Senate at the February meeting.

Other faculty documents reviewed were No. 1347 and No. 1334, which were placed on the Senate Calendar.

Professor Ricardo Fernandez resigned from the committee because of the pressure of research activities, and was replaced by Professor Robert Ingle.
