Respectfully Submitted to the Secretary of the University by
Dr. Gerald Bergstrom, Chairperson
4/5/84

Dr. Gerald Bergstrom was reelected chairperson of The Human Rights Committee at its September 8, 1983 meeting. The committee subsequently met and conducted business in October, 1983 and January and February, 1984. As of the February meeting, Barbara Faucett replaced Bill Jointer as the ex-officio committee member, representing the University Equal Opportunity Office.

The present committee inherited only one unresolved matter, the case of Wendy Wray, from the 1982-83 committee, and decided to take no further action on the matter until it hears from Ms. Wray. The committee heard the grievance of a student, Mr. Victor Richards. In the view of the majority of committee members, Mr. Richards was unintentionally denied due process by the manner in which his dispute over tuition charges was handled. The committee considered the issues involved and made its recommendations to Assistant Chancellor Donald P. Hardy.

In another, most significant area, the committee is beginning to operate as an "affirmative action advisory committee", and will be assisting Barbara Faucett in the preparation of UW-M's Gender Equity Report, to be submitted to UW-System in the near future.
Finally, the chair wishes to note that a major concern of the HRC last year, the lack of minority representation on the committee, has been alleviated by the nomination and election of minority voting members. The membership list below reflects two resignations (Czaja, Jointer) and 2 replacements (Thibert, Faucett), as well.
