Recommendation of the faculties of the Departments of Botany and Zoology and the faculty of the College of Letters and Science that the two departments merge into a single Department of Biological Sciences, effective July 1, 1984.

Rationale: The Faculty of the Department of Botany and the Faculty of the Department of Zoology recognize the need to work together to plan and coordinate the future development of instruction, research, and service in the biological sciences in the College of Letters and Science of The University of Wisconsin-Milwaukee.

William F. Halloran, Dean
College of Letters and Science
