Annual Report of the Archives Committee, 1960-61

The Archives Committee has responsibility for establishing policy for the University of Wisconsin--Milwaukee archives and for advising the University of Wisconsin--Milwaukee archivist (the Secretary of the Faculty). At present the holdings include scattered official and unofficial materials relating to pre-merger activities and complete official records for the period since 1956; most of the records are housed in the basement of the Kenwood Library, but are not arranged or catalogued.

The Committee has requested for 1961-62 an allocation of $1,300 to the budget of the Department of History employing a History graduate student to arrange and catalogue archival materials under the supervision of the Department of History.
