1985-86 ANNUAL REPORT
of the
UWM HONORARY DEGREES COMMITTEE

The Honorary Degrees Committee met on October 2, 1985, to review the committee's timetable for 1985-86. Screening meetings to review the nominations received were held on November 6, 1985 and November 20, 1985. At these meetings the committee heard supporting statements from representatives of the academic units sponsoring each nomination, and consulted with the chair of the UWM University Committee. Committee members voted to approve nominations, which were then transmitted to Campus Administration (for approval by the UW System Board of Regents) and to the UWM Faculty Senate.

The Faculty Senate received these nominations and voted to award honorary degrees to the individuals recommended by the Honorary Degrees Committee.

During Semester II, the Honorary Degrees Committee is meeting to review criteria for awarding honorary degrees, and to revise the Committee's annual call for nominations. The call for nominations for 1986-87 honorary degrees will be sent out in April, 1986. The deadline for submitting completed nominations will be October 15, 1986.
