Transfer Student Application Deadline

RECOMMENDATION

The Admissions and Records Policy Committee recommends that the University establish a deadline for undergraduate transfer applications. The recommended deadlines are June 1 for the fall semester and November 1 for spring semester to guarantee a statement of advanced standing, advising and participation in Priority Registration. Coupled with this would be a final application deadline of August 1 for fall semester and December 15 for spring semester after which applications would not be processed. This policy would be effective for Fall, 1987 provided that this could still be included in the new undergraduate bulletin. An appropriate appeal mechanism is to be established by the Office of the Registrar, with input from the academic units.

BACKGROUND

Currently the University does not have an undergraduate transfer application deadline. After reviewing transfer student data, the Office of the Registrar Advisory Committee approved the recommendation of these specific deadlines on May 8, 1986.

RATIONALE

New transfer students who apply early and receive statements of advanced standing can be advised and register for classes during the Priority Registration periods. Registration after the Priority Registration periods is difficult and may delay progress toward the degree.
