ARCHIVES COMMITTEE

Annual Report, 1987-88

The Archives Committee met on November 23, 1987. The spring meeting of the committee will not take place until after this report is due and thus will not be included.

Glen Jeansonne was elected chair.

Library Director William Roselle reported that the Henry Maier papers have been donated to UWM and will be placed in the Area Research Center of the Golda Meir Library.

Archivist Allan Kovan presented a statement defining new archives policy which removed sexist language and updated the previous statement to reflect changes in legislation. The committee voted unanimously to accept the report without change and asked Kovan to forward it to the Secretary of the University.

Kovan reported on his activities as University Archivist. He has devoted major efforts to relocating archival collections to a new storage space in the Golda Meir Library and recycling a large quantity of noncurrent campus records designated by destruction by the Public Records and Forms Board.

Kovan reported that unfortunately at the beginning of the fall semester the archives lost nearly one-half of the student hours previously assigned due to budgetary cutbacks.

After a brief question period the committee passed a resolution commending the archivist for his work in the past year.
