Recommendation of the Admissions and Records Policy Committee
to Grant Authorization to the Office of the Registrar to Drop Students
from Previously Repeated Courses

The Admissions and Records Policy Committee recommends that the Office of the Registrar be given authorization to administratively drop students from illegally repeated courses, namely courses previously repeated in the Fall Semester 1988-89 or thereafter. A notation of "WR" would appear on the record for these administrative drops. This policy would become effective Spring Semester 1988-89. Motion carried unanimously.

Rationale: This recommendation of the Admissions and Records Policy Committee empowers the Registrar to enforce the repeat policy that was approved by the Faculty Senate on May 12, 1987, Faculty Document No. 1558.
