1988-89 ANNUAL REPORT OF THE ACADEMIC POLICY COMMITTEE

The committee met seven times during the academic year.

The committee took the following actions during the academic year:

1. Recommended a clarification of the implementation of the course audit policy and of the new repeat policy. The changes recommended by the APC were forwarded to the University Committee.

2. Recommended to the Office of the Vice-Chancellor, Academic Affairs, that the U-W-Green Bay Statement on Plagiarism be reprinted and disseminated campus-wide.

3. Proposed for consideration by the Faculty Senate, an academic calendar for 1990-91 and a Summer Session Schedule for 1991.

4. Formed a subcommittee to modify the UWM Disciplinary Procedures, Fac. Doc. #1265, to be consistent with the revised UWS Chapter 17 "Student Disciplinary Procedures" and the newly written UWS Chapter 14, "Student Academic Disciplinary Procedures."

5. Considered the problem of relief for students having three or four exams in one day. The committee recommended (1) that at least two optional exam periods be scheduled in each final exam schedule, (2) that faculty be accommodating when students request rescheduling of exams and (3) that worksheets be revised appropriately to alert students to the final exam schedule when planning their class schedules.
