The committee has met three times and will meet again on April 11, 1989.

To date, the committee has done the following:
- received reports from the library director
- reviewed the policy and the procedures on faculty overdues
- written letters of appreciation to Chancellor Smith and to the Friends of the Library
- reviewed the library's budget and the planning documents
- considered the physical arrangements necessary for laying of replacement carpeting during the summer of 1989
- received updates on the Network Library System and on changes in the acquisition program
- begun to review data on acquisitions patterns

As a faculty committee, our work is directed toward support of the Golda Meir Library as a valuable research and teaching resource of the campus and community.
