ANNUAL REPORT

Admissions and Records Policy Committee

1988 - 1989

The Committee met on the following dates: November 10, 1988, and March 8, 1989.

Actions taken:

1. Recommended to the administration (conveyed to the University Committee) that the Office of the Registrar be given authorization to administratively drop students from illegally repeated courses, namely, courses previously repeated in Fall Semester 1988-89 or thereafter. A notation of "WR" would appear on the record for these administrative drops. This policy would become effective Spring Semester 1988-89.

   (Subsequently approved by the Faculty Senate.)

2. Endorsed the "Joint Admission Agreement" between the University of Wisconsin-Milwaukee and the University of Wisconsin Centers. (This agreement originated in the Vice Chancellor's Office.)

3. Approved a request from the School of Business Administration that students in its recognized cooperative program be considered as an exception to the enrollment verification policy adopted by the Admissions and Records Policy Committee on March 20, 1981, with full-time status for these students being defined as one credit.

4. Endorsed this motion from the Department of Enrollment Services Advisory Committee: Beginning with Semester I, 1990-91, the University of Wisconsin-Milwaukee will adopt the following admission criteria for new freshmen applicants who submit GED test scores or a High School Equivalency Diploma in place of a traditional high school diploma:

   Applicants with a total GED standard score of at least 265, and with no individual test score of less than 45, will be considered admissible provided that they present an ACT composite score of 20 or above.
Applicants not meeting the above criteria can appeal to the
Dean of the school or college to which they are applying, or
may seek admission through the Department of Learning Skills
and Educational Opportunity.

Admissions and Records Policy Committee Members:
