Report of the Committee of Nominations for 
Elective Standing Faculty Committees for 1990-91

In preparing the slate of nominees for Elective-Standing Faculty Committee, the Committee on Nominations used the following procedures:

1. Preference sheets were prepared and distributed to the faculty. The first, second and third choices were tabulated from 188 returns out of a possible 847.

2. Criteria are used to select a maximum number of individual faculty members in order to achieve continuity, balance, and distribution. Selections are influenced by, not limited to, choices submitted on the preference sheets.

Nominations from the floor may be made at the Faculty Senate Meeting, March 22, 1990. Please contact the person you wish to nominate prior to the meeting to obtain his/her consent.
