1989-1990 ANNUAL REPORT - UWM HONORARY DEGREES COMMITTEE

The 1989-1990 UWM Honorary Degrees Committee held three meetings: October 20, October 30, and November 6. The committee took the following actions:

Recommended that UWM award honorary degrees at the December graduation in addition to the customary award of honorary degrees at the May graduation.

Screened nomination of five honorary degree candidates, heard presentations by representatives of the five academic units submitting the nominations, and recommended three candidates for honorary degrees to the UWM Faculty Senate and the UW System Board of Regents, which approved the nominations. (Two honorary doctorates will be awarded at the May, 1990 commencement and one at the December, 1990 commencement.)

Voted not to reconsider an appeal by one of the academic units whose nomination was not recommended for an honorary degree by the committee.

Issued in April, 1990 the first call for nominations for honorary degrees to be awarded in 1991.

1989-1990 UWM HONORARY DEGREES COMMITTEE
